St Cecilia's Catholic Primary School

Dear Parents/Guardians

RE: COVID-19 UPDATE FOR TERM TWO - WEEK THREE

Beginning next week, St Cecilia's will still be offering one mode of teaching and learning. With most of our students returning to school, this mode of teaching and learning will become more classroom based, but we will continue to support those students whose parents choose to keep them at home.
As we will have over 80% of our students returning next week, we are reverting to our regular school timetable and as such have made some changes to our Zoom timetable. As of Monday, teachers will not be conducting Zoom lessons at the currently scheduled time; instead, they will hold separate Zoom meetings to explain or review work and to check in with students that are working from home. Work will continue to be uploaded via Seesaw and we would like to assure you that students that are at school will be completing the same set work while in class.
Please find an updated timetable for your child's Zoom meeting with their teacher. We ask that you use the same codes and passwords as you currently have with the only change being a new code for Monday morning's Values Assembly.

Monday morning values assemblies – 8:30 am with Mrs Sheen. Please use Meeting ID 309-860-3174 (password: sheen)

Spelling Mastery Classes – As of Monday 11 May, all Spelling Mastery classes will run at the regular time of 8:40am-9:05am. Students at home are asked to join their regular Spelling Mastery teacher via Zoom at 8:40am. Individual teacher codes can be found on the whole school timetable sent to families at the beginning of the term. If your child cannot remember their regular Spelling Mastery teacher, please contact the school.

When to Zoom meet with your teacher (daily):	
Kindy	9:00am
Pre-Primary	9:00am
Year One	11:00am
Year Two	11:20am
Year Three	12:00pm
Year Four	11:00am
Year Five	11:30am
Year Six	8:30am

For those classes who have Religion with Mrs Sheen, these lessons will continue via Zoom as they have for the past two weeks.

Mrs Wellbeloved and Mrs Lee-Gowland will not be continuing with specialist lessons (i.e. Science, Health and Sport) via Zoom but are more than happy for parents to contact them if students at home are experiencing difficulty with the activities set on Seesaw.

If you have any questions regarding this, please do not hesitate to contact me. CEWA are meeting to review current practices on Monday 11 May and we will endeavour to update you with any new directives as soon as we are notified.

We continue to thank you for your patience and support during this time.

God Bless and enjoy Mother's Day

Mr Roberto Palladino
Principal
