

## St Cecilia's Catholic Primary School

Thursday 09 September 2021

Dear Parents/Guardians,

As you know, students from the St Cecilia's choir group attended the Pilbara Music Festival yesterday. Our junior students impressed the judges with not only their presentation but also their fabulous musical abilities. The junior choir received an Outstanding Adjudication report with the judge complimenting them on their conviction to bring meaning to the lyrics of *Going North* by Missy Higgins. The senior choir was awarded a Well Done with the adjudicator commenting that the lyrics and musical energy led to professional and mesmerising performances of both *A Million Dreams* and *I'll Stay*.

The performance of the Choir groups impressed the adjudicators so much that the groups have been asked to perform at the closing concert for the Pilbara Music Festival. We know this is short notice, and we understand that weekends can be quite busy, but we would love to have as many as students as possible attend.

The closing concert is taking place at the Civic Centre gardens on Sunday 12 September at 2:00pm. Children that are attending are asked to arrive no later than 1:45pm so the concert can begin on time. The Choir groups will be asked to meet Mrs Poharama at the pool side of the council building on arrival. As they are representing the school, students are asked to wear full school uniform for the performance.

Could you please complete the form below and return to Mrs Poharama tomorrow, Friday 10 September, just to give the teachers an indication of how many students to expect.

Yours sincerely

Mrs Mandy Sheen  
Assistant Principal

Yes, my child will be attending the closing concert on Sunday.

No, we are unable to attend the closing concert on Sunday.
