

St Cecilia's Catholic Primary School

21 September 2021

Dear Parents

On Thursday 14 October, we have an exciting incursion visiting our school – School Performance Tours is once again visiting the Pilbara and will be bringing the *Wadjiny* show to give students an insight into Aboriginal histories and cultures.

The performer, Troy Allen, includes everyone with his enthusiasm and down to earth approach and combines dance, storytelling and music to explore the culture and day to day life in a hunter gatherer society. He will also display and talk about a collection of artefacts – weapons, tools, nets and other everyday times to engage and educate students. A constant throughout all his stories is a theme of great respect for the land and all creatures that inhabit it.

There is a cost of \$5.00 per student for the incursion. All students from Kindy to Year Six are invited to attend. For your child to attend the incursion, please make payment of \$5.00 on the Flexischool website by 3:00pm Wednesday 13 October. This payment, when made, gives permission for your child to attend. Children not attending will be supervised in another class.

Yours sincerely

Mrs Mandy Sheen
Assistant Principal
