

Dear Mum and Dad and my carers,

February, 2018

Now that I'm a big year 2, I have some jobs I must do in class each morning, afternoon and at home. I would love you to read this note and keep it so that you can help me become the most

ORGANISED

Year 2 in the whole wide world!

Students come into classroom from 8.15 and do **6** morning jobs:

1. Water bottle in trolley
2. Black folder in black folder box
3. Reader/reading log – swap or put in tray
4. Any notices in office tray
5. Chair down
6. Read through daily plan

Black folder: Bring to school every day for:

1. Notices
2. Reader/Reading log
3. Homework book

Homework book:

1. Term spelling sheet - students learn ten words for the next week.
2. Weekly homework

Keep these in black folder unless taking out to do homework and reading at night. It is fine to keep homework folder in black folder during day so that is the only place it is when not being used for homework at the time.

Reading log:

1. Child reads to parent or carer every day (and parents/carers encouraged to read aloud at home each night too).
2. Parent/child writes date book started then ended.
3. Child swaps over book before school, during silent reading or at the end of the day if they are not being picked up from Kiss 'n Drop.

Library bag:

Bring to school on Friday to change library book
