

Year 2 Homework Term 4 Week 4

DUE: Tuesday, 6th November

Until the end of this year, each week I have my basic daily skills to do at home.

I will ask a parent/carer to tick these when I can show I have done them.

Skill	Tick when done			
Week 5 spelling words x 4 practices				
Read aloud to a parent/carer 15 minutes each day				
Make multiplication/division fact family triangles for the following numbers: 1) 2, 3, 6 3) 4, 2, 8 2) 5, 3, 15 4) 3, 10, 30				
Practice my chosen times table 5 times. See Ms B whenever I am ready to be tested and think I can recite my times tables for that number within 25 seconds. I will receive a sticker for my chart.				
Practise my sight words aloud with a parent/carer OR: If I have finished my sight words, put our new word PROSPERITY into a sentence.				

Spelling words – Practise here!

Practice 1	Practice 2	Practice 3	Practice 4

- Here is an example of a multiplication and division fact family triangle (as we have done in class).

2, 6, 12

OR

7, 2, 14
