

St Cecilia's Catholic Primary School

20 October, 2020

Dear Year Two parents and students,

Throughout Term Two in Geography (HASS), our class has been travelling with our virtual company, "Country Crew Airlines" to map the world and its seven continents and learn about many places around our planet. Having been interviewed by ABC Radio in September, we were heard by the local (actual) airport's general manager, who 'got wind' of our International Postcard Project and has offered to begin a new partnership. As a result, it's a thrill to invite all of our class members and parents on a special tour of Port Hedland International Airport, led by General Manager Rod Evans. All costs for transport and participation will be generously covered by the airport. We are quite excited!

Our travels so far have taken us to Antarctica, Asia, Europe, Africa, North America and South America. This week, we will conclude our international trip travelling through Bolivia and Peru. Following this, the Year Two Crew will return to Australia and travel around our own country until we finally hit the Port Hedland tarmac and conclude our journey on Monday 16th November. Our Port Hedland International Airport tour will coincide with this arrival date.

The aim of the tour will be to take everyone 'tarmac' side of the airport. We will be on a bus and get to see planes arrive and depart and investigate different areas around the airport. Morning tea will be provided by Port Hedland Airport as well and we will return to school by lunchtime. We will have some photos taken, which may be used on social media by the airport or local media.

Details of our excursion are as follows:

Date: Monday 16th November

Time: 8.30am – roll call then depart on bus from St Cecilia's CPS.

Return: 12.15pm

Students need: Clean school uniform, school hat, water bottle.

Parents: We are looking to invite two adult parents who might be free to accompany us. This will be on a first in, best dressed case by messaging me on Seesaw and will involve travelling on the bus from and to school.

Please complete the following permission slip for your child to participate.

Kind regards

Captain Batchelor
We fly high when we try

PORT HEDLAND INTERNATIONAL AIRPORT TOUR

Student: _____ **has permission to**

attend the Year Two tour of Port Hedland International Airport on Monday 16th November 2020.
