

## Year Three Communication and Homework for Week 5 Term One 2018

### 'WHEN WE WORK TOGETHER, WE ARE STRONGER AND SMARTER'

Hi Parents/Caregivers. Our In-term swimming has had a fantastic start. Thanks parents for helping your child get organised for each day. It is an extra thing that they have to remember. However, we have almost reached the half way mark of Term One and I am still reminding students of their essentials for each day i.e. homework folders, entering their readers in their journals and returning homework and spelling on the correct days. If you or your child is unsure of what needs doing, please feel free to come and see me early morning or after school. Class is open early for them to get ready each morning. Homework is only given to those students who require a print out, otherwise it is on our website each Friday. Books that are not handed in, will not be marked. **WE WILL GET THERE!!**

So far in Numeracy, we are revisiting Place Value and moving into rounding numbers to the nearest 10 or 100.

#### **WHERE TO FROM HERE?**

From next week we will review previous work and move into reading and writing time on a digital and analogue clocks to the minute as well as recognise time equivalences, eg. half past 3 is the same as 3:30.

So far in Literacy, we will continue with common nouns, proper nouns and practicing them in all written work.

#### **WHERE TO FROM HERE?**

Our target is to use nouns in the correct places in our writing. We will create a complete sentence each day to help with automaticity.

In HASS (Topic), we had our first Chinese language lesson.

#### **WHERE TO FROM HERE?**

Ask your child how to say hello and good-bye in Chinese.

Kind Regards,, Mrs Lyn Poharama & the Year Three Team
