

Year Three Communication and Homework for Week Eight, Term Two 2018

Hi Parents / Caregivers. Thank you Year Three students for your effort with our assembly. I thought you were all amazing. I have included the criteria for students to start thinking about gathering information about their town or city they were in, for their project. I am happy to go over with any parents who are unsure. Again, this is a in class project that we will be working on this term and into Term Three. Keep practicing your multiplication facts and keep reading. If you are on Lexile, do not forget to complete the quiz at home or school. You may take your books home from Monday, week 8. Kind Regards

Mrs Lyn Poharama & The Year Three Team.
