

## Year Three Communication and Homework for Week Two, Term Three 2018

Hi Parents/Caregivers. A warm welcome back to all families and friends. I hope you all had a restful break. Students have settled back into daily routines and ready for another term of learning. We have a quiet week two, however, things will start heating up, (including the weather), with our 'Melted' rehearsals. Last term we set learning goals for ourselves and we will be visiting these in week 10 of Term Three. Our learning goals are tucked away safely in class. Feel free to discuss your child's goal and what they are going to do to achieve their goal.

**GEOGRAPHY PROJECTS:** We have been working steadily on our projects and at this stage, we will only be working on them in class. Parents are very welcome to print any pictures or information from home; however, students will be using iPads and chrome books for research.

**CLASS VALUES:** We are learning to work together in class, without put downs, inappropriate calling out and talking back to adults. I would like all Year Three students to think about our special 'positive' class values displayed on the windows and try and change their way of thinking. Breathing, smiling and giving compliments are powerful tools.

HAVE A FANTASTIC WEEK EVERYONE.

Kind Regards

Lyn Poharama and Team
