

## Year Three Communication and Homework for Week Three, Term Four 2019

Hi Parents/Caregivers. Thank you to those students for changing your readers on a regular basis before the beginning of the day. I am pleased with some results from our Lexile tests. Students have made pleasing results. Please continue to use our class system to borrow. All the best to those who are receiving their First Reconciliation this Thursday night.

In Literacy, we have been working on reading and writing informative texts. We will be doing small class projects during this time and relate this with History - 'Celebrations Around the World' from week five.

In maths, we are continuing to use strategies to solve multiplication and division facts. I would like students to take home word problem cards we have in class and complete answers in their problem-solving booklets.

<b><u>Spelling</u></b>	<b><u>Mathematics</u></b>	<b><u>Reading/Literacy</u></b>	<b><u>Religion</u></b>
<p><b><u>Look, Cover, Write, Check</u></b></p> <p>This week, learn your words and say them out loud to your parents each day. Parents can tick them off in the spaces each night.</p> <p><b>Parent initial:</b> _____</p>	<p>Practice your 4 times tables. Write them in the back of your homework book.</p> <p><b>Parent initial:</b> _____</p>	<p>Read you reader alone or to a family member, each night. Make sure to record your reader if you haven't already done so at school.</p> <p><b>Parent initial:</b> _____</p>	<p>Complete page two of your Reconciliation booklet.</p> <p><b>Parent initial:</b> _____</p>

<b><u>Physical Activity / Sport Training</u></b>	<b><u>Literacy - 'Punctuating Sentences/Paragraphs</u></b>	<b><u>Extra Maths</u></b>
<p>Challenge yourself to be "creative"! Think of a different fitness activity for every day? This only needs to take about 5 minutes. Here are some ideas; Walk the dog, jogging, hopscotch, use a hula hoop, play hide and seek, skipping etc.</p> <p><b>Parent initial:</b> _____</p>	<p>Punctuate paragraphs using full stops, capital letters, exclamation marks and question marks. Below are two paragraphs. Use the correct punctuation to correct. These can be rewritten in your homework books.</p> <p><b>Parent initial:</b> _____</p>	<p>We have been learning how to solve word problems and look at the key words to help us, as well as writing our own problems for a class resource. Have a go at the money problems below.</p> <p><b>Parent initial:</b> _____</p>

<p><b><u>WHAT'S HAPPENING IN WEEK THREE?</u></b>          THURSDAY - Reconciliation 6:30pm in Parish Church          FRIDAY - Whole School Mass hosted by Year 6 class.</p>	<p><b><u>REMINDERS:</u></b>          * All homework due Tuesdays          * Library Mondays          * Please email me if you require Homework to be printed.</p>
---	---

<p><b><u>Literacy - 'Punctuating Sentences/Paragraphs'</u></b>          HOMEWORK: Punctuate paragraphs using full stops, capital letters, exclamation marks and question marks</p>	<p>(1) one day, a magical pixie called fairydust skipped happily through the enchanted forest she was wondering what sort of magic spells she could cast over her friends in the village of fairyville would it be a kind spell, or would it be a wicked spell stop if you cast too many spells, you may run out of them</p>	<p>(2) hamish the hedgehog scuttled under the enormous pile of leaves, which were at the foot of a horse chestnut tree in the woods what was that wow it was a conker, falling down from the branches above the pile of leaves where did that come from what a big conker hamish had never seen such a large conker before he ran back under the mound of leaves, then went to sleep</p>
--	--	--

<p><b><u>Numeracy - Problem Solving</u></b>          1) Nathan bought 43 Harry Potter cards at the shop. Outside, he met Callum, who had 83 cards. Along came Kieran who had none. The 3 friends decided to share all the cards. How many did they get each?</p>	<p>2) Katie had thirteen cakes and four plates to put them on. She wanted the same number of cakes on each plate. Could she do that? Explain your answer.</p>	<p>3) Jill saves \$1 every week. She wants to buy a new game costing \$30. How many weeks is it before she can afford to buy the game?</p>
