

# MY AFRICAN COUNTRY

I am a travel agent, convincing people to visit this African country. I must create a poster, PowerPoint or persuasive speech to make the class want to travel here!

I need to include all of this information in my presentation:

- 1) Name of the country (as your heading)
- 2) Map of Africa with the country clearly marked and the capital city labelled.
- 3) Picture of the country's flag.
- 4) Current population
- 5) Current leader of this country and how long they have been leader for.
- 6) Examples of three animals native to this country.
- 7) Two or more examples of food or dishes people eat in this country.
- 8) A famous landmark in the country (eg. mountain/hill/river/natural feature)
- 9) References: eg. websites used, books used, videos watched
- 10) 3 fun facts! Go wild!! Eg. languages spoken/indigenous tribes/music/sports stars/politics/words in a language/counting/school life/conflicts or wars/whatever fun facts you find! Be inventive.
