

# Year 5 Homework Term 1 ~ Week 7

\*Print this sheet out and have a Parent / Guardian sign the last page to ensure the homework is completed. You have until Friday of each week to complete. If you can't print it out, have a Parent / Guardian sign your diary.

Please rule up your page as per St Cecilia's School Policy.

- Rule a margin in **RED PEN**.
- Use the **FULL DATE**.
- Include a Subheading for all your set tasks and underline in **RED PEN**.

**SPELLING WORDS:** Please complete each question in your Homework book.

Week 7 Term 1 – Spelling Words. Ensure you know what the Prefixes mean.

- 1('co') – 1. together 2. sharing a job or responsibility 3. to the same or a similar degree: coextend. 4. (in mathematics and astronomy) of the complement of an angle: cosecant, codeclination. Used with some nouns, verbs, and adjectives.
- ('com') – 1. together, with, etc (combine, compile) ; 2. similar (conform); extremely, completely (consecrate). Used in the formation of compound words before b, p, m: combine; compare; commingle.
  - Prefixes – 'co' and 'com'

'co' words	'com' words
codominant	combine
cohesive	committee
coexist	communication
coincidence	community
coordinate	compare
collide	compatible
co-star	commiserate
co-driver	comfortable
coenzyme	command
cosecant	Commentate

**Task 1:** Write out your spelling words every night. Look, Say, Cover, Write, Check every night. Ensure you write each word neatly and accurately.

**Task 2:** Please add five words to each column as well as learning the prefix meaning and attempt to learn the spelling of each word. There may be a test on the words on Friday.

**Task 3:** Read your levelled **Lexile Book** or a **Magazine Article** for 15-20mins each day. Perhaps, investigate **Fictional Texts**.

**NUMERACY ACTIVITIES:** You can choose to complete Task 1 in the TABLE below OR in your HOMEWORK BOOK.

**Task 1: WHAT IS A PERCENTAGE?** A percentage is actually a FRACTION. It is a fraction of 100.

1. 50% means 50 / 100
2. 20% means 20 / 100

Try and complete the following table. Two examples are completed for you. To find the **simplest fraction**, divide both the denominator and numerator by a number that can divide evenly into each (e.g. 2, 5, 10, 25 etc). When the Percentage is **more than 100%**, make the fraction an **improper fraction**.

Percentage	Fraction	Simplest Fraction
2%		
10%	10/100	1/10 (divide each number by 10)
15%		
20%		
25%		
50%		
60%		
75%		
80%		
85%		
90%		
94%		
97%		
100%		
110%		
125%	125/100	25/20 = 5/4
150%		
167%		

**Non Compulsory Task:** You can choose to logon to **StudyLadder** at the following address [www.studyladder.com.au](http://www.studyladder.com.au) OR **Mangahigh** [www.mangahigh.com](http://www.mangahigh.com) – Then enter your **User Name** and **Password** (we wrote it down in class and you were given a print out).

**Task 2:** Complete this **Division Grid**. There **will** be a **REMAINDER** in **some** division problems. You may need to use a scrap piece of paper to work out the **algorithms**.

**Division Table – Yr 5 Term 1 Week 7 2018**

÷	20	25	80	100	250	1000
0						
2						
4						
5						
10						
1						
20						

(a) This table took me \_\_\_\_\_ mins and \_\_\_\_\_ seconds to complete.

(b) This converts to a total of \_\_\_\_\_ seconds.

**PARTICIPATION / EXPERIMENTAL ACTIVITIES:** In the following table, choose a few tasks and complete the activity. The white square is compulsory! If you have chosen a research topic, try and prepare a 2-3 minute talk / presentation that you can provide to the Year 5 class. You may / or may not be chosen to do this.

Read a variety of books including school books.	Be read to by another member of the family.	Go Shopping with parents / guardians. Help pack and unpack all items.
Do a physical activity OR go to sport training.	Do housework / chores every day.	Investigate and / or do some sort of Art activity that interests you.
Teach your parents something you were taught at school.	Play a game (such as chess) with an adult.	Research a project / topic that interests you.
Meditate and practice how to relax.	Use a computer for work (research or homework).	Practice a musical instrument or study a cultural practice (try finding a culture that you want to know more about).
