

Year 5 Homework Term 3 ~ Week 3

*Print this sheet out and have a **Parent / Guardian sign** the last page to ensure the homework is completed. You have until Friday of each week to complete. If you can't print it out, have a Parent / Guardian **sign your diary**.

Please rule up your page as per St Cecilia's School Policy.

- Rule a margin in **RED PEN**.
- Use the **FULL DATE**.
- Include a Subheading for all your set tasks and underline in **RED PEN**.

SPELLING WORDS: Please complete each question in your Homework book.

Week 3 Term 3 – Spelling Words. The words to learn are listed below and are organised into **two** groups. They are examples of the 'ei' and 'eigh' sound. Please attempt to learn the words from the group that you are most comfortable with.

Group 1	Group 2	Group 3
vein	eighteen	
veil	neighbour	
rein	freight	
veiling	freighting	
skein	eighty	
reindeer	neighing	
eight	weight	
sleigh	heavyweight	
neigh	lightweight	
weigh	freighted	

Task 1: Write out your spelling words **every** night. **Look, Say, Cover, Write, Check** every night. Ensure you write each word neatly and accurately.

Task 2: Learn the **meanings** of the words in the list above. Look them up in a **Dictionary**.

Task 3: Add **five words** that **contain** the same 'ei' or 'eigh' **Sound**.

NUMERACY ACTIVITIES: The following questions require a lot of thinking. Don't give up! They are quite hard, but sometimes it is good to challenge yourself.

Do the following questions in your homework book. Show the algorithm and working when required:

1. How many litres is 4280 ml?
2. If I have 10 apples, 3 pears and 2 oranges, what is the probability of choosing a pear?
3. List 3 **multiples** of 11.
4. List 4 **factors** of 32.
5. If $a = 3$ and $b = 6$, what would $4a + 3b$ be equivalent to?
6. How many centimetres is 52.5 metres?
7. Calculate $12 - 3 + (4-2) =$
8. $3 \times 4^2 =$
9. What is 8.5 L in ml?
10. If a square has sides of 1cm each, what is the area of the square in millimetres?

Non Compulsory Task: You can choose to logon to **StudyLadder** at the following address www.studyladder.com.au – Then enter your **User Name** and **Password** (we wrote it down in class and you were given a print out).

PARTICIPATION / EXPERIMENTAL ACTIVITIES: In the following table, choose a few tasks and complete the activity. The white square is compulsory! If you have chosen a research topic, try and prepare a 2-3 minute talk / presentation that you can provide to the Year 5 class.

Read a variety of books including school books.	Be read to by another member of the family.	Go Shopping with parents / guardians. Help pack and unpack all items.
Do a physical activity OR go to sport training.	Do housework / chores every day.	Investigate and / or do some sort of Art activity that interests you.
Teach your parents something you were taught at school.	Play a game (such as chess) with an adult.	Research a project / topic that interests you.
Meditate and practice how to relax.	Use a computer for work (research or homework).	Practice a musical instrument or study a cultural practice (try finding a culture that you want to know more about).
