

Year 5 Homework Term 3 ~ Week 9

*Print this sheet out and have a **Parent / Guardian sign** the last page to ensure the homework is completed. You have until Friday of each week to complete. If you can't print it out, have a Parent / Guardian **sign your diary**.

Please rule up your page as per St Cecilia's School Policy.

- Rule a margin in **RED PEN**.
- Use the **FULL DATE**.
- Include a Subheading for all your set tasks and underline in **RED PEN**.

SPELLING WORDS: Please complete each question in your Homework book.

Week 9 Term 3 – Spelling Words. The words to learn are listed below and are organised into **two** groups. They are examples of the 'ch' sound. You will notice that some words have morphographs attached that you should be familiar with. Please attempt to learn the words from the group that you are most comfortable with.

Group 1	Group 2	Group 3
chat	inches	
chips	branches	
chick	torches	
chopping	peaches	
cheese	searches	
children	touched	
changed	cheering	
choking	cheater	
chained	chucking	
cheeky	unsearchable	

Task 1: Write out your spelling words **every** night. **Look, Say, Cover, Write, Check** every night. Ensure you write each word neatly and accurately.

Task 2: Learn the **meanings** of the words in the list above (**especially chuck(ing), unsearchable and chick**). Look them up in a **Dictionary**.

Task 3: Add **five words** that **contain** the same 'ch' Sound.

As an extra task, for those who read the homework directions each week, please come up to me and say the word 'succinct'. When you do this, I will award you with a prize. Keep this to yourself!

NUMERACY ACTIVITIES: Write these problems in your Homework Book and show working.

1. St Cecilia's has 486 Students. How many buses would be required for an excursion if each bus can carry 54 passengers?
2. James banks \$47.50 per week. How much does he bank per year?
3. A carton of 6 dozen pens contains 10 different colours. How many blue pens would there be if $\frac{3}{4}$ of each packet was blue?
4. What is the perimeter of your kitchen / dining room table (you will need to measure it)?
5. How far would we travel in 2.5 hours at an average speed of 68 kilometres per hour?
6. Mia takes 5 ml of medicine every 4 hours. How much will she take from 8am to 8:15pm?
7. We use 5.6 litres of milk per week. What is our average daily consumption?
8. I opened a litre of milk and used 340 millilitres. How much is left?
9. Of the 10 dozen pens, 25% were faulty. How many were not faulty?
10. What is the length of each side of a regular pentagon if its perimeter is 12.65 metres?

Non Compulsory Task: You can choose to logon to **StudyLadder** at the following address www.studyladder.com.au – Then enter your **User Name** and **Password** (we wrote it down in class and you were given a print out).

PARTICIPATION / EXPERIMENTAL ACTIVITIES: In the following table, choose a few tasks and complete the activity. The white square is compulsory! If you have chosen a research topic, try and prepare a 2-3 minute talk / presentation that you can provide to the Year 5 class.

Read a variety of books including school books.	Be read to by another member of the family.	Go Shopping with parents / guardians. Help pack and unpack all items.
Do a physical activity OR go to sport training.	Do housework / chores every day.	Investigate and / or do some sort of Art activity that interests you.
Teach your parents something you were taught at school.	Play a game (such as chess) with an adult.	Research a project / topic that interests you.
Meditate and practice how to relax.	Use a computer for work (research or homework).	Practice a musical instrument or study a cultural practice (try finding a culture that you want to know more about).
