NUMERACY ACTIVITIES:

For Week 6 Numeracy Homework, the Year 5 class will do something entirely different. Please make up ten (10) – twenty (20) Math questions for fellow Year 5 class members. These can be based on any Numeracy concepts that you have learnt up to the end of Year 5 (now). I intend to hand these out to the year 5 class for work to be completed on Friday 16th November 2018. Ensure that you are able to show working and have the correct answers.
