

Year 5 Homework

Term 3 ~ Week 7-8

EVERYDAY ACTIVITIES:

- *Look, Say, Cover, Write, Check with your spelling words*
- *Read for at least 20min every night*
- *Practice your times tables*

Week 7-8 Spelling List

List 1	List 2	List 3
admire	armour	ballot
chance	sparse	civic
warm	harbour	council
strong	familiar	business
upside	participate	budget
threw	architect	community
party	particular	economic
laugh	artificial	resident
golden	parliament	petition
empty	sarcastic	recreation

LITERACY

Task 1:

Write out your spelling words every night. Look, Say, Cover, Write, Check every night. Ensure you write each word neatly and accurately.

Task 2: Dictation

Practice your dictation twice during the week. Write it out as a paragraph in your homework book.

Around the house: Help with the cooking

Help out around the house and prepare a meal for your family. Ensure that you have a recipe. Follow the instructions carefully. Measure out all ingredients. Take 1 or 2 photos of you helping out in the kitchen and/or sharing a meal with your family. We can display these photos in our classroom as part of our "Year 5 Families Wall"

Ways you can share your photos:

- Bring these photos to class.
- Ask Mum or Dad to email them to me.
- Upload your family photo to your school OneNote using your Microsoft login.

Week 7-8 Reminders

- Homework due Thursday
- Pilbara Music Festival 8th-14th September
- Lightning Carnival Friday 13th September

Dictation:

The young lady had the **chance** to wear the **go** gown to the **party**. The king's **architect** wore **armour** to the formal dinner at **Parliament Ho** is your **civic** duty as a **resident** of your local **community**, to voice your opinion by filling in y **ballot** at the **council** elections.

Numeracy

Task 1: Division- Re-write these equations into your homework book.

Use the short division algorithm to calculate:

a) $268 \div 2$ b) $185 \div 5$ c) $574 \div 7$ d) $988 \div 4$

e) $268 \div 3$ f) $185 \div 6$ g) $574 \div 8$ h) $988 \div 9$

Length: Write your answers in your homework book.

1. Use a tape measure to measure the distance around the head of everyone at home. Write down the measurements. (If you don't have a tape measure use a piece of string. Then measure the string against a ruler.)
2. Measure the length of both feet of everyone in your family. If everyone in your family placed their feet heel-to-toe in a straight line, what length would they make?
3. Take a photo of you completing this task at home. You may bring the photo in, email the photo or upload it to your class OneNote.
