

Year 5 Homework

Term 1 ~ Week 7

- EVERYDAY ACTIVITIES:
- *Look, Say, Cover, Write, Check with your spelling words*
- *Read for at least 20min every night*

Remember the importance of how you present your work. Here is our St Cecilia's policy on how to set out your work.

- Rule a margin in
- Full date
- Subheading for all your set tasks so it is clear which homework task you are completing.

Week 7 Spelling List

Take note of your new spelling group. Your new spelling words were given out this week and stuck in your homework book.

LITERACY

Task 1:

Write out your spelling words every night. Look, Say, Cover, Write, Check every night. Ensure you write each word neatly and accurately.

Task 2: Find-a-word

Create a find-a-word using your spelling words.

A page in your maths book may help you with ruling up your lines.

Task 3: Discuss with Mum or Dad one of your favourite family recipes on the menu this week. Discuss the ingredients used and the procedure on how to make the recipe. Help Mum or Dad make the recipe. Ask someone at home to take a photo of you helping out at home (making this recipe) and either email it to me, send it through Seesaw or print it out.

Week 7 Reminders

Tuesday- St Patrick's Day Whole School Mass 8:45am

Thursday- HW due

Friday - Swimming Carnival

NUMERACY ACTIVITIES

Rapid Recall Times Tables- Use a stopwatch each night to see how quick you can complete your times tables.

Monday	Tuesday	Wednesday	Thursday
$9 \times 1.2 =$	$9 \times 2.1 =$	$9 \times 12 =$	$9 \times 13 =$
$9 \times 1 =$	$9 \times 6 =$	$9 \times 13 =$	$9 \times 2 =$

Task 2:

Studyladder

Login to your Studyladder account and complete 3 maths activities.

Task 3: Maths Challenges

Math Brain Teaser #24 of 101

CAPTAIN ANNE'S COINS

Captain Anne has a very unique collection of coins.

When she arranges the coins in groups of two, there is one single coin left over. When she arranges the coins in groups of three, five, or six, there is also just one single coin left over. But when she arranges the coins in groups of seven, there are no coins left over.

How many coins does Captain Anne have?

01— TEDDY SQUARES

There are nine teddy bears in the diagram below.

How many TOTAL squares are there?
