FROM THE PRINCIPAL'S DESK

Dear Parents/Guardians

Welcome back to the new school year. I hope everyone had a wonderful break and have come back to school with batteries fully charged. A big welcome to families new to the school. I hope you and your families have settled into school life. Thank you to all parents for assisting in having your child well prepared for the start of the new school year.

A special welcome to new staff this year; Miss Joanne Carlos (Year One teacher), Miss Dana Bell (Kindy Education Assistant), Mrs Jenny Palladino and Miss Kyarna Lee-Gowland (Education Assistants - Lower Primary Block) and Ms Di Dalgety (Education Assistant - Upper Primary Block). We also officially welcome Mrs Lucy Heke as our Administration Officer. Lucy worked closely with Mrs Genni McCormack during the final term of 2020 and has settled in quickly to her new role. (Please note, Mrs Palladino will be on leave until the return of Mr Palladino.)

Mr Palladino

I'm sure you are all aware now of Mr Palladino's absence due to illness. Mr Palladino became unwell over the holidays and while we hoped he would be able to return to join us for the new school year, further tests showed that his condition is more serious than first thought and he has to remain in Perth to be able to continue to receive medical treatment.

Mr Palladino is hoping to be able to return to Port Hedland and St Cecilia's for the beginning of Term Three. In the meantime, I have accepted the position of Acting Principal during Mr Palladino's absence. We are advertising for an Acting Assistant Principal and look forward to introducing our new staff member to you soon.

Commissioning Mass

Last Thursday afternoon, we were joined by Bishop Michael Morrissey and Allen McMahon, the Regional Officer for the Geraldton Diocese of Catholic Education Western Australia at our staff Commissioning Mass. At this Mass, we welcomed new staff to Catholic Education and St Cecilia's. We also thank Andy Barrow and Stephanie Holmes-Leonard for joining us as representatives of the School Advisory Council (formerly known as the School Board).

Scholastic Book Club Organiser

We are seeking someone to do our Book Club ordering etc, Please complete the slip enclosed if you can help.

Beginning of Year Mass

Last week we celebrated the return to school with our Beginning of Year Mass. It was a wonderful way to begin our year together with prayer and some beautiful hymn singing. We were also blessed to have been joined by Bishop Michael Morrissey, who stayed after the Thursday afternoon Mass to celebrate the beginning of the year with the students. Thank you to the students who led the school in the Mass and to the parents who came to recognise the beginning of the new school year.

Our next whole school Mass will be on Wednesday 17 March to celebrate Ash Wednesday.

Census

The Semester One census occurred on Friday 12 February and is mandatory for all Non-Government schools. The information obtained from the census is used for a variety of purposes including national and state planning, reporting and resource allocation. The government funding we receive is determined by the number of students at the school, and unexplained absences can lead to the school receiving less funds. Please ensure that if your child was absent **Friday 12 February** that you notify the school in writing with a valid reason.

P&F

Our P&F are responsible for building community and raising funds for school resources. They are an important group of people who organise events and fundraise to provide for the purchase of resources for the school. Meetings are held once a month and planning for these events and approval of funding requests from the teachers takes place. Unfortunately, without new members, the P&F will not be able to continue to be an important part of our school community.

If you are interested in joining the St Cecilia's P&F in 2021, please come along to the first meeting to be held in the school Library on Monday 08 March at 6:30pm.

RELIGIOUS EDUCATION

Sacraments

This year there will be two Sacraments offered to students; First Reconciliation and First Holy Communion. First Communion is offered to students in Year Four, and other students that haven't received this Sacrament. To receive this Sacrament, students must have taken part in First Reconciliation. The First Holy Communion Mass will be the first weekend of June, with a Mass in each of the parishes.

First Reconciliation is offered to students in Year Three and any other students that haven't received this Sacrament. The Mass for First Reconciliation is held at the end of October at St Cecilia's Church.

If you have students in these years, then please check the posters that are displayed in each foyer area and outside the office for more information.

St Cecilia's Parish

There is a special relationship between the St Cecilia's school and parish, strengthened by our close proximity and the frequent visits of our priest, Father Edward Khaemba. This term, our school Masses are being celebrated by Father January Mkude as Father Edward has travelled back to Kenya to visit his family. (I have heard from Father Edward and he sends a big hello to everyone.)

We would like to encourage our families to support the parish through attending Masses, volunteering to help out with roles at weekend Liturgies, volunteering at Busy Bees or through donations.

GENERAL CAMPUS NEWS

Contact Details

If you have not done so, can you please notify the school of any changes to your contact details and please ensure that the numbers you have provided are contactable, especially in times of emergency.

Carpark

When parking in the school carpark, please observe the reverse parking signs. This is to ensure the safety of our children as it can be difficult to see younger students if you are trying to reverse out of a carpark.

If you are dropping your children off at school in the morning, and you are not parking your car, the drop off must be done in the drive through and must be done at the two stopping bays. Please do not leave your vehicle if you are in the drive through lane. (If you wish to walk your child into school, then you must use the designated parking area.) Children should not be getting out of cars while they are stopped on or near the crossing, in the middle of the carpark or at the exit of the carpark. This causes safety issues for other pedestrians and drivers.

Also, please ensure that your speed is a speed that allows you plenty of time to watch out for, and if necessary, stop for small children that may be walking in the carpark. There are 40km/hr signs around the school for during school times and 10km/hr signs on the gate as you enter the carpark, yet there are some drivers that are still driving well above this speed limit. As a result, we have had some near misses between cars and pedestrians.

Remember, higher speeds mean longer braking times and distances.

Please observe the speed limits as displayed in and around the school to ensure the safety of our children.

A further reminder for when collecting students of an afternoon. Parents are asked to remain in their car and wait for their turn to get to the front of the line. Students are released two cars at a time to the two stopping bays where they will get into their cars. At no time are students to walk to a car that is further down the line and parents must not overtake cars in front, as this has resulted in some near misses between other cars and pedestrians. Again, parents are asked not to pull up in the middle of the carpark or near the crossing to pick up students.

Your patience and cooperation is always appreciated when student safety needs to be considered.

UNIFORMS

Uniforms

At our assemblies, and in classes, the students have been reminded about our school uniform policy. They have been reminded about wearing the correct uniform on the correct day, the correct socks to wear, what jewellery is allowed to be worn, etc. Students have also been reminded that if for any reason they are not able to wear their correct uniform then a note from a parent must be brought in to the teacher explaining the infraction; if they do not bring a note from a parent, notification of the infraction will be forwarded to parents.

If you are unsure as to what the correct uniform is for your child, please view the uniform display page on the school website. Please remember, that the transition period from white to black runners has now ended and all students are asked to wear black runners with laces or Velcro with their sport uniforms. Please note, this does not include hi-top or basketball style shoes.

CANTEEN NEWS

CANTEEN NEWS

As notified prior to the beginning of term, Mrs Kelly Gould has informed us of her resignation in order to pursue a different career path. As such, we are without a Canteen Supervisor and therefore the canteen has not been able to reopen. We are seeking a new Canteen Supervisor to get our canteen up and running again. If you, or anyone you know, is interested in joining the St Cecilia's staff to provide for our children, please see the job description at the end of this newsletter or on our website for more information. Alternatively, you can come in and speak with Mrs Sheen.

LENT:

WHAT IS IT REALLY ABOUT AND HOW CAN MY FAMILY PARTICIPATE IN THIS SEASON?

LENT

Since the first week of January, the presence of colourful eggs and chocolate bunnies in supermarkets has steadily been increasing. People like to buy them early in preparation for their Easter celebrations. However, for us as Catholics, our preparation for Easter goes much deeper than that.

The Season of Lent is a time in which we reflect on our relationship with God and the way we are living our lives. It is the season in which we prepare for the mystery of Easter with minds and hearts renewed. Through *repentance* and *renewal* we can live more fully, our Baptismal call to live as disciples of Jesus.

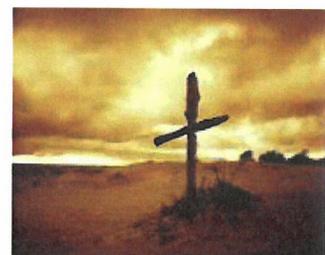

The following information may help you and your family understand the meaning, customs and traditions of Lent more fully, resulting in a deeper preparation for the coming Easter Season.

Pancake Tuesday/ Shrove Tuesday

- Shrove Tuesday is **not** part of the Season of Lent. The word 'Shrove' comes from the word 'Shrive' which means to confess. People were encouraged to say sorry to God before the beginning of Lent itself.
- Shrove Tuesday originated during the Middle ages. Food items like meats, fats, eggs, and milk were regarded as restricted during Lent. To keep such food from being wasted, many families would have big feasts on Shrove Tuesday in order to consume those items that would inevitably become spoiled during the next forty days.
- Making pancakes on Shrove Tuesday came about as a way to use as much milk, fats, and eggs as possible before Ash Wednesday - the beginning of Lent. Hence the term 'Pancake Tuesday.'

DID YOU KNOW?

- The season of Lent **begins on Ash Wednesday** and concludes before the Evening Mass of the Lord's Supper on Holy Thursday.
- Lent is a forty-day liturgical season that prepares us for the most sacred part of the Christian year, the **Triduum** – **the days we recall the suffering, death and resurrection of Christ.**
- Sundays are not included in the forty-day count because every Sunday is a joyful celebration of our Lord's Resurrection.
- The name Lent, comes from the Old English word for Spring which was *lencten*. The Latin word for Lent is *quadagesima* which means forty days.
- During Lent we renew our hearts and mind through **prayer, fasting and almsgiving**, in preparation for the joyful mystery of Easter.
- Ash Wednesday is a day of **fasting** and **abstinence**. This means we only have one main meal during the day (fasting) and we do not eat meat (abstinence). Abstinence applies to people from the age of 14. Fasting applies to those who have attained their *majority*, until their 60th year.
- The traditional colour of Lent is **purple**.

PRAYER, FASTING AND ALMSGIVING: WHAT DO THEY MEAN?

- Lent is a time to identify the things we THINK, FEEL and DO, that prevent us from moving closer to God and which stop us from living like Jesus.
- Lent is about conversion – moving into practices in which we grow more like Christ and help us live His way of life.
- As Catholics, we use **PRAYER, FASTING AND ALMSGIVING** to bring us closer to God and prepare ourselves for the Easter Season. All three of these Lenten practices link together to allow the Holy Spirit to bring about the conversion we seek during Lent.

PRAYER - Prayer is our communication with God. It is through prayer that we develop a closer, more intimate relationship with God. During Lent, we try and pray more by talking to God, as well as by being silent with God, so that we may hear God speak to us.

FASTING - Fasting is one of the most ancient actions linked to Lent, although the rules have changed through the ages, it is still considered a sacred practice. When we hear the word '*fast*' we straight away think of 'giving up' something like lollies, chocolate or our favourite food. Fasting is about limiting the amount we eat and/or denying ourselves certain foods. It is primarily a spiritual discipline designed to allow us to concentrate less on our body and more on prayer.

It is important to remember, fasting should lead to a deeper relationship with God and others. Fasting is not a selfish act, rather an act that allows us to focus less on ourselves and more on strengthening our relationship with God and others.

ALMSGIVING - Almsgiving is a sign of our care for those in need and an expression of our gratitude for all God has given to us. Works of charity and the promotion of justice are integral elements of the Christian way of life. When we look carefully, we will find Christ in our neighbours, especially the poor and needy. One way we usually support those in need during Lent is by giving money to the annual *Project Compassion Appeal*.

ASH WEDNESDAY... DID YOU KNOW

- Ash Wednesday is the start of the 40 days of Lent.
- The 40 days represent the time Jesus went into the desert to prepare for His mission.
- During Ash Wednesday masses and liturgies, a small cross is placed on our foreheads using the ashes.
- The Ashes used, come from burning the Palms used in Palm Sunday celebrations from the previous year.
- The ashes are a symbol of **repentance** and a desire for **renewal**. This is why the priest may say, "Turn away from sin and be faithful to the Gospel' as he places the ashes on our forehead.

You might like to view this simple two minute video about **Ash**

Wednesday with your child. <http://www.youtube.com/watch?v=m3L3c23MfC0>

Looking at Prayer, Fasting and Almsgiving: How is it relevant to me?

- Lent is an annual opportunity to grow in our faith, which means it's about much more than giving up unhealthy foods or treats, as we may have done when we were children.
- It is about abstaining from whatever is unhealthy in our lives—gossip, laziness and lack of social conscience and most importantly, *taking concrete steps to do something that has a positive influence on yourself and others.*

Instead of chocolate, alcohol or ice-cream, what if we thought of *fasting, prayer and almsgiving* in a broader context?

- What if those disciplines involved practices like:
 - ♥ reducing our dependence on electronic devices, such as iPads, iPods, TV, Playbox, etc, for twenty four hours (**fast**);
 - ♥ contemplating the 1.6 billion people in the world who have no access to electricity for a few moments (**pray**)
 - ♥ spending the extra time we saved not using the electronic devices, on personal interaction with someone we love (**give**).
- Or what if we:
 - ♥ reduced our carbon footprint for a day by using less energy—being more aware of the electricity we waste through lights or TVs being left on (**fast**)
 - ♥ then reflected for two minutes on the magnificent gift of our natural environment—God's creation (**pray**)
 - ♥ and finally donate some money to be given away to a favourite charity—perhaps one that plants trees (**give**).

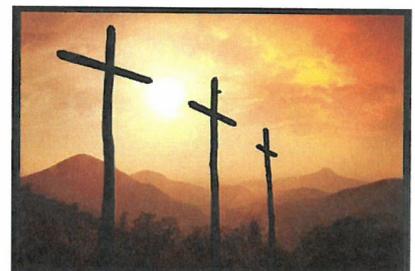

The Lenten practices of Praying, Fasting and Almsgiving have been a part of our Catholic tradition for centuries and they are still very relevant in our faith journey today.

Lent: A Time For Repenting

One of the major Lenten themes is **Repentance**. When Jesus asks us to repent, he is not simply asking us to do something religious, rather he is asking us to **dare to see differently**, to look at God, the world and ourselves through a different lens.

The time to repent is the time to **let go of ONE way** of viewing things, in order to embrace the risk of **seeing and thinking differently**. This in turn will allow us to **LIVE** differently.

The word *repentance* literally means, *change of thinking*. This Lent, before you make a judgement or comment about something or someone, look again through *Christ's lens* and see how differently you see things.

WHAT CAN WE DO AS A FAMILY OR PERSONALLY, TO SHARE IN THIS SEASON OF LENT?

ON-LINE LENTEN CALENDAR – Similar to the traditional Advent Calendar, these online calendars give you *prayer, fasting* and *giving* ideas for each day of Lent. <http://www.bustedhalo.com/features/fast-pray-give>

RANDOM ACTS OF KINDNESS – On slips of paper, have each family member write random acts of kindness, such as give a compliment, make a phone call to an old friend, carry someone's heavy load, let someone in front of you on the tuckshop line, etc. Present each family member with a slip of paper as he or she leaves in the morning. Invite each family member to perform the kindness without seeking recognition. That evening, talk together about what happened. Try to make a commitment that your kindnesses will be passed on throughout Lent and beyond.

STATIONS OF THE CROSS – Talk to your child about what they know about the Stations of the Cross. Discuss the events of Christ's last day represented in each station. The site <http://www.ainglkiss.com/stations4kids/> gives simple explanations of what happened at each station and prayers to be said together. Also, this site, <http://www.loyolapress.com/images/stations-of-the-cross-for-children.pdf> is appropriate for Younger children.

VISIT THE CHURCH – Get up 10 minutes earlier and drive your child/children to school. Once you are there, pay a visit to the church and pray, alone and/or together, with your child/children. Children learn from your actions and attitudes - *show* them the importance of making more time for prayer in our lives.

WEEKDAY MASS – Promise yourself to go to at least one morning Mass during Lent - time for just you and God. Celebrating and receiving the Eucharist is a great way to strengthen your relationship with God... and a great way to start the day!

PRAYING AT WORK OR HOME DURING YOUR DAY – Take a three minute prayer break! Yes, just three minutes to reflect on God's presence in your life. Try it! What have you got to lose? (Best to try it in your lunch break if you're at work or you might lose your job!) <http://www.loyolapress.com/3-minute-retreats-daily-online-prayer.htm>

LENTEN CRAFT – To make Lent more meaningful for your child, provide opportunities for them to participate in Lenten craft activities. Ideas:

http://thetuckerbunch.typepad.com/just_another_day_in_parad/2007/02/celebrating_lent.html

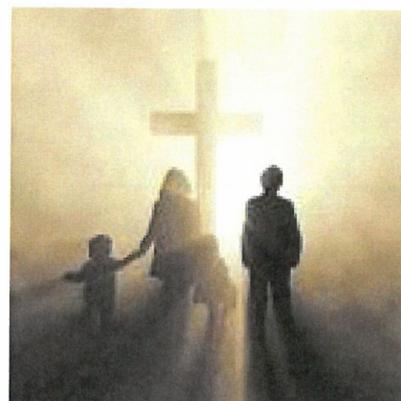

LENT GRATITUDE – Choose a time each day where each family member shares three things for which to be grateful. This could be done at meal-times or before bed. You may even like to write them down in a *Family Gratitude Journal*. **Giving thanks is our response to the goodness of God.**

PRAY TOGETHER – Make family prayer a focus during Lent. Read the Sunday Gospel for each week of Lent from a children's bible, say traditional prayers at bed time, pray in the car together on the way to school, chat to God in an informal way about the things for which you want to ask or give thanks.

GOOD DEED BEADS – Make some good deed beads with your child/children. Make a promise to do 10 good deeds each day. Share the good deeds together as a family over dinner each night.

<http://thelittleways.com/how-to-make-sacrifice-beads>

THINKING OF YOU CARDS – Make 'Thinking of You' cards and send them to know who might need a little extra love and care during Lent.
