Dear Kindergarten Parents/Guardians

RE: Staff Update

It is with much regret that I am announcing the resignation of Mrs Jacqui Walker as she is relocating interstate with her family effective from 24 August 2022.

I would like to take this opportunity to thank Jacqui for all her contributions to our school and wish her all the best for the future. The school has started the process of finding her replacement and we hope to have this finalised and communicated by approximately the 19 August.

God Bless
