St Cecilia's CATHOLIC PRIMARY SCHOOL

P&F Mother's Day Fundraiser

Dear Parents/Guardians

This year due to COVID restrictions, the P&F will not be holding the Mother's Day stall.

Instead of our usual stall, we are running a Pictureproducts plate fundraiser to celebrate Mother's Day.

Both decorative and useful, Pictureplates are simply beautiful. Your child/children can use photos, markers, paints and handprints to create their artworks, so it's a fantastic gift idea for Mum, Grandma or anyone special in your life.

Your child's unique artwork is transformed into durable, high-quality melamine plate. Sample pictures and plate is on display at the canteen window.

Pictureplates will last a lifetime for only $31 each. All profits raised go towards fantastic resources and future events for our school. Approx. dinner plate size 25cm.
https://www.pictureproducts.com.au

*Pictureplates will be delivered 6-9 weeks once orders are placed.

Time to get creative!

1. Students design your plate, **using ONLY the template paper provided**. **Make sure your artwork stays within the lines and please do not fold your design when returning to the office**. Extra templates available from the office. Please return any unused templates.

2. Parents complete order form and **make payment to Flexischools by 10th May 3:00pm**, sorry no late orders.

3. Designs will be sent to Picture Products.

4. Once your order is completed at the Pictureproducts factory, it will be posted back to the school. We will let you know when your order is ready for collection.

PICTURE PLATE ORDER FORM

Return to the office ASAP or by 10th May (sorry no late orders)
