## NATIONAL WALK SAFELY TO SCHOOL DAY COME ON AND TAKE THE CHALLENGE!

We're encouraging our students and parents to participate in the National Walk Safely to School Day on Friday 20 May 2022. This is an opportunity to teach children safe ways to behave around roads and traffic while enjoying the gorgeous beach scenery along the path from the Water Tower at Koombana Lookout to School. **THE WALK IS OPTIONAL!**

The Walk Safely to School Day asks that we all consider our transport habits and try to incorporate more walking as part of a healthy, active way to get around. Although walking all the way to school isn't realistic for many of us, it's quite easy to figure how you can build a walk into your family's daily routine. Not only does walking provide a range of positive benefits, but it is also a great start to the day!

Please read the information below and complete the permission slip regarding the walk and return to the office by Wednesday 18 May.

- \* Meet at the Water Tower at 7:30am to collect your sticker (Once back at school, the sticker will identify who is receiving breakfast.)
- \* Begin our walk at 7:40am
- \* Arrive at school between 8:00am-8:10am for a light breakfast provided by the P&F (Up & Go and a piece of fruit).

Please note: All students from Kindergarten to Year One need to be accompanied by a parent/guardian.

Kind regards  
Mrs Mandy Sheen  
Assistant Principal
