Dear Parents/Guardians of the 2021 Year Six class

## **To have or not have a Year Six Graduation Party in 2021?**

That is the question, I, Ree Barrow (proposed planner of all things St Cecilia's Graduation Party wise) ask you.

Can you please ask and/or discuss with your child if they would like to have a graduation party at the end of the year.

At this stage, we have had four parents confirm they would like their child to participate in a graduation party this year but without further support, the event isn't financially viable.

### **Why have a graduation?**

School graduations are important bookends in every student's schooling life and something that makes an indelible mark in their journey towards adulthood.

### **What will you need to do?**

Any time you can spare will always be appreciated and more ways you can contribute will be communicated via SeeSaw if the Graduation Party went ahead.

I also have some ideas to share and you and your child will be able to vote for them etc if you would like to or have time to.

### **How much will you need to pay?**

We will be fundraising to pay for the event and any donations towards the event would of course, be appreciated.

### **Where will it be held?**

The School Hall in Term Four.

Please contact me via email: [papms6714@gmail.com](mailto:papms6714@gmail.com) or Miss Mullins [Rachel.Mullins@cewa.edu.au](mailto:Rachel.Mullins@cewa.edu.au) with your answer (yes or no) and child's name, **please reply by 25 March** so we can start raising funds if, we decide, "Yes" to having a Graduation Party.

Thank you for your help and we will let you know if we will let you know the response either way by the end of this school term.

Kind regards
