PG MOVIE PERMISSION

Dear Year Six Parents/Guardians

Some of the movies we will watch over this year, either at school or on excursions, may be PG (eg. school camp).

I wish to obtain your permission to allow your child to watch such programs in a supervised context.

Rather than sending a note home each time one of these movies is viewed, this form will cover all movies for throughout the year.

Please fill in the form below allowing your child to participate in the viewing of PG films shown as part of the academic calendar throughout the year.

Kind regards

Mrs Rachel Maher
Year Six teacher
