

St Cecilia's Catholic Primary School

2025 to 2027 Hanrine Foundation Indigenous Student Scholarship Application Form & Information

Who funds our scholarships?

Hanrine Foundation offers scholarships to Indigenous students from St Cecilia's Catholic Primary School.

There are two types of scholarships on offer:

1. Full Scholarship – If no Land Group contributes to the educational expenses.
2. Part Scholarship – If your Land Group contributes to the educational cost, but the amount is not enough to cover the expenses below.

Only a limited number of scholarships are available each year subject to funding availability and require a formal application.

Scholarships usually commence at the beginning of the school year; however, in exceptional circumstances and subject to funding may be able to be provided partway through the school year.

Who is eligible to receive a scholarship?

Hanrine Foundation Scholarships are for indigenous students of all abilities - as long as they are doing their best and attending school regularly.

Applicants for scholarships must:

- Complete a scholarship application form
- Attend St Cecilia's Catholic Primary School
- Preference is given to students of the traditional owners and founding families of the school (Clarke, Dann, Kelly, Murphy and Pianta) and local language groups (Kariyarra, Ngarla, Nyamlu, Nyiyaparli and Palyku) of the Pilbara region
- Then other Aboriginal language groups
- Not be receiving any other scholarship

In addition:

- The family must be supportive of the student's education
- The student must demonstrate a commitment to education by attending school for a minimum of 90% of the time. (Consideration will be made for family issues). If attendance falls below this, without a valid explanation, then a meeting will be called to discuss the concern. Failure to rectify the issue could result in the scholarship being revoked.

How to apply

Families need to contact the Principal at St Cecilia's Catholic Primary School directly to enquire about scholarship opportunities and to request the Scholarship Application Form. Families are encouraged to make enquiries well in advance of the anticipated commencement of their child in school. Families are also encouraged to apply during the school year, however, no guarantees that scholarships will be available can be given.

The Scholarship Application Form is an essential part of the application process and should be submitted directly to the school. Attach a copy of the student's birth certificate and school reports if not already a student of St Cecilia's.

Period of Scholarship

For the duration of the new partnership agreement, 2025-2027. Following this period, Scholarship eligibility will be subject to continued funding from Hanrine Foundation.

Parents must confirm in writing that their child will be returning to St Cecilia's for each calendar following year, to be considered for the scholarship.
