

St Cecilia's Catholic Primary School, Port Hedland

Why Choose Us?

We prioritise educating the whole student; academic, social, emotional and spiritual. We cater for diversity and believe in high expectations for all. Our motto is 'Faith, Family, and Friendship'; this guides us in all we do. We welcome people from all faiths and backgrounds.

Curriculum

Explicit and Inquiry Based learning

Our teaching and learning process uses the Western Australian Curriculum to plan, teach and assess student learning. We use a combination of explicit and inquiry-based learning to develop life-long learners and successful citizens.

Data Driven

We use data to inform educational programs and aspire to creating an environment where all learners can achieve at the highest possible level.

Diversity

Intervention and Extension

We cater for all levels of ability. Our students receive Literacy and Numeracy interventions daily. Students are also provided with opportunities to extend their learning in all areas of the curriculum.

All are welcome

We have a special sense of community where all feel like they belong. We teach the Catholic Curriculum to all students, which values diversity and support of the marginalised. Any student from the Hedland area is welcome at St Cecilia's. Fee assistance available to eligible Health Card holders.
